

HALO-Flight offers the Guardian Plan - a Subscription Membership Plan that helps make an unexpected tragedy less painful on your pocket.

The Membership advantage is debt forgiveness or reduction once insurance options have been utilized.

Since 1987

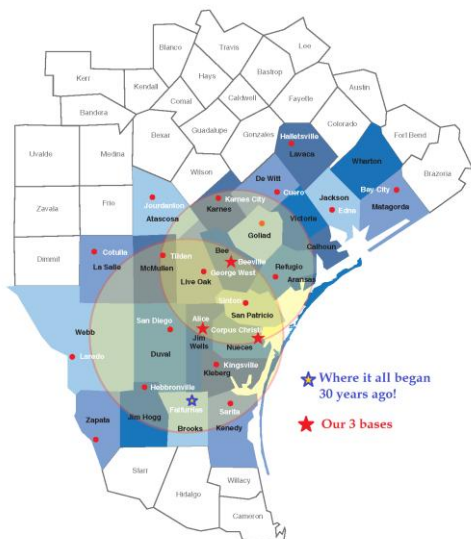

CAMTS Certified Air Ambulance Service

An average air ambulance helicopter transport can exceed \$25,000.

Many insurance companies only provide a payment for service of 30 - 50%, leaving the patient with the remaining balance.

Insured Members enrolled in the Guardian Plan are charged no out-of-pocket for HALO-Flight transports deemed medically necessary once terms of the patients insurances have been met. Uninsured Members receive a 50% discount for HALO-Flight services.

Membership provides coverage anywhere in our 26 county service area, as well as for physician-ordered transfers to San Antonio, Houston, and Austin. Membership also includes coverage with our reciprocal partner Dallas CareFlite.

Membership coverage extends to all family members who live in the same household and are listed on the application, including dependent, custodial and non-custodial children.

For more than three decades HALO-Flight has delivered on the trauma needs of South Texans when minutes to a higher level of care mattered most, and regardless of their ability to pay. With a fleet of helicopter air ambulances based in Corpus Christi, Alice and Beeville, and servicing over 28,000 square miles and a population of over one and a half million people, HALO-Flight responds to thousands of critical accident, heart attack and fragile newborn patients, plus many more that might not have had a chance to survive otherwise.
